**ARCHITECTURAL DESIGN COMMITTEE PLAN SUBMITTAL**  
**EXTERIOR PAINT CHANGE**

Homeowner: \_\_\_\_\_

Lot # and Address: \_\_\_\_\_

Daytime Phone/Cell: \_\_\_\_\_

Please attach a sample of the exterior base and trim colors you wish to paint your house. **Each sample should be on a minimum 3" x 5" card. Stir sticks will not be accepted.** Please note the new colors of your home must differ from the homes on either side of you and the home across the street. The reason is that we do not want all the homes to look alike. This will give your home a unique look and increase the exterior curb appeal of your property.

I hereby submit my exterior paint change request and in doing so, I submit my signature, below, and state that my new colors **do not** match the homes on either side of my residence or the house across the street.

Homeowner Signature: \_\_\_\_\_

The Architectural Design Committee will be reviewing this submittal at 5860 Lightning Drive, at 6:00 p.m. on \_\_\_\_\_. We encourage you to attend the meeting in the event the committee has any questions concerning your change request. This submittal must be received at the HRHA office no later than three (3) working days prior to the meeting date of \_\_\_\_\_, NO EXCEPTION!

A written response of approval, approval with conditions, or denial, will be mailed to you within three (3) working days after the meeting. Re-submittals will not be reviewed until the next scheduled meeting of the committee. Failure to include the above mentioned information and signature may result in denial/postponement of your plans.
